Dear Mr. Tonus:

Thank you for your recent letter and for providing my office with a copy of your CD entitled *Brother Can you Spare a Dime?*

Music fascinates and captivates us, and is one of the greatest expressions of the human spirit that touches our hearts and enriches our lives. In Toronto we are fortunate to be able to experience and enjoy such an incredible wealth of arts and entertainment. I am thrilled to learn your group's long standing accomplishments and commend you on your contributions to our great city.

Congratulations to everyone for publishing a delightfully charming compilation and please extend my best wishes to you and your fellow musicians of Toronto Northern Lights for a joyous Holiday Season and peaceful New Year.

Yours truly,

Mayor David Miller
